RE: Speaking Invitation  
Golden Eagle Club  
San Diego, California  
Convenient Date in 1988

Chairman of the Golden Eagle Club (GEC), Ronald J. McElliott, has invited you to address the Golden Eagle Club of San Diego County at a luncheon or dinner on a convenient date in 1988. The suggested format is 20 minutes of remarks on a topic of your choice followed by 20 minutes of questions and answers. You could expect an audience of approximately 150 community and business leaders. The media is not invited to the Club's programs.

The Golden Eagle Club was founded by former Congressman Clair Burgener and has 225 members. (See membership list opposite.) The organization is dedicated "to the business oriented American Free Enterprise System." GEC's charter is to "support the election of the best men and women to public offices in San Diego County." Although the club is nonpartisan, it tends to be conservative. Previous speakers have included Vice President Bush, Ambassador Vernon Walters, and former Secretary Elizabeth Dole. (See list opposite.)

Since you do not have plans to be in the San Diego area during 1988, I recommend that you decline this invitation. If you agree, attached is a letter for your signature.

Dear Mr. McElliott:

I appreciate your kind invitation to address the Golden Eagle Club in San Diego in 1988. As much as I would enjoy speaking to your club in that most agreeable part of the country, with my present work schedule and other commitments I do not foresee an opportunity to travel to Southern California in 1988. However, please give my regards to your members.

Best wishes for the continuing success of your organization.

Sincerely yours,

/s/ William H. Webster

Dear Mr. Webster:

This correspondence is to introduce you to the Golden Eagle Club of San Diego County, California. Our membership of 225 represents a cross section of the business and public leadership individuals in San Diego.

Originated in 1983 by former Congressman Clair Burgener, the Golden Eagle Club has experienced remarkable success as an organization dedicated to the business oriented American Free Enterprise System.

Since inception, we have been privileged to host numerous national figures, including the Vice President, Cabinet officials, and other representatives of America's leadership (partial list attached). Should you visit San Diego as our guest, you can be assured your thoughts, observations, and presence are well-served.

We take this opportunity to extend an open invitation for you to speak to our membership at a time convenient to you in 1988. We can arrange for the best quality lodging, transportation, security, and accept travel expenses as an honorarium. Naturally, a reasonable amount of advance notice would be appreciated. We are flexible and able to work with whatever travel arrangements may be the most accommodating to your schedule.

Please contact our Executive Director, Jack Templeton, for planning coordination.

With best personal regards.

Sincerely,

  
Ronald J. McElliott, Chairman
